Size guide

How to use Van Cleef & Arpels wrist meter ?

1. Make sure in the print options that “Paper Scaling” is set to “No” and that the landscape format is selected.
 2. Print your wrist meter on a form sheet.
 3. In case of doubt, check your impression with a ruler.
- Place a credit card here
to confirm print size
4. Then cut out your meter, and adjust it to your wrist.
 5. To find your ideal bracelet size, please refer to the attached chart.

Due to the different aesthetics, the size in centimeters may slightly vary depending on the characteristics and technical elements of each design. However, the sizes are conceived to be perceived as identical, so that each creation can be worn with other Perlée bracelets of the same size. We invite you to visit our boutique to try on the bracelet in order to find your perfect size.
